

FEIF Conference

Erskine Bridge Hotel, Erskine, Renfrewshire, PA8 6AN
16th to 18th February 2007

As many of you will know, IHSGB is a member of the International Federation of Icelandic Horse Associations (FEIF). Since 2005, FEIF has held an annual conference which discusses issues of importance in the Icelandic horse community. The conference is a combination of plenary sessions and detailed technical meetings for each of the FEIF departments.

The FEIF Conference will be held in Great Britain this year. The theme of this year's conference is Education and Youth. The plenary sessions will focus on topics related to the main conference theme. IHSGB will be represented at the conference by members of the board of trustees.

In a new innovation, ordinary members of the host association, IHSGB, are invited to attend the conference plenary sessions, giving ordinary members the opportunity to see some of the work of FEIF at first hand, and the chance to meet Icelandic horse enthusiasts from around the world.

The plenary sessions for this conference are:
