IHSGB Mileage Record Card

This record card is for private (unverified) hacking only, and thus does not need an event's organiser signature. The scheme is non-competitive. Having ridden 100, 250, 500, 750 and 1000 miles each horse/rider combination will receive a certificate and a rosette. The scheme is accumulative, and miles can be carried over from one year to the next.
Once you have reached one of the above targets, please return the card or a photocopy, together with £4 administration fee to Gundula Sharman, East Cannahars, Whitecairns, Aberdeen, AB23 8XL two weeks before the AGM. The card will be returned to you for future miles. All awards will be made at the AGM.
