

RULES FOR NATIONAL BREEDING AND NATIONAL SPORTS SHOWS ACCEPTED BY IHSGB

1. BREEDING SHOWS

- 1.1 Breeding Shows shall be conducted in accordance with the Rules of FEIF (FIZO). Any variation from FIZO must be specifically agreed by the trustees or such sub-committee appointed by the trustees for the purpose and such variation must be explicitly stated in the Show application and schedule (if a schedule is published).
- 1.2 The Society will only accept a Breeding Assessment as valid if it has been conducted by a minimum of 2 judges. Both of these judges must be current FEIF International judges. Any additional judge may be at least an accredited National judge from a FEIF member association.

2. SPORTS SHOWS

- 2.1 National Sports Shows and other Sports Shows accepted as IHSGB events shall be conducted in accordance with the Rules of FEIF (FIPO). Any variation from FIPO must be specifically agreed by the trustees or such sub-committee appointed by the trustees for the purpose and such variation must be explicitly stated in the Show application and schedule (if a schedule is published).

3. VACCINATIONS FOR IHSGB EVENTS

- 3.1 All horses attending IHSGB events shall be vaccinated for Equine Influenza in accordance with the protocol set down by the Jockey Club.
